

New website online

22.05.2014 22:00:00 | Max Muster | 987 Comments

Nowadays it's important to present your company in the internet. The web presence has to be modern and pleasant. Furthermore the website should include a lot of applications.

This website project is now based on the Contrexx web content management system, which contains all important applications that a modern website needs these days. The content and applications are absolutely easy to manage, therefore you can present always an up-to-date website to your customers.

[Subscribe to our newsletter](#) so that you are always informed about the news and improvements of Contrexx.

Super Website

Ich wollte nur kurz mitteilen, dass mir diese neue Website sehr gut gefällt. Kompliment an alle Beteiligten!

Grüsse, Frau Muster
